## STETSON SONGS

### Stetson Victory Song

We are the guys from Stetson U  
You hear so much about;  
The other schools all envy us whenever we go out,  
So fill your lungs and sing it out,  
And shout it to the skies,  
The Green and White forevtr  
We'll be loyal till we die.  
As we go marching and the band begins to play  
You'll hear us shouting,  
Stetson U will win the day.

### Dear Alma Mater

Dear Alma Mater, we love your spirit;  
We love your valor true and fine;  
Your colors waving in all their glory  
All the honors won through time.  
Our school we cherish in all its glory  
Not another can compare.  
We love your vic-to-ries  
And Hatters all will fight for dear ole Stetson U.

### Stetson Hatters

S - T - E - T - S - O - N  
Stetson Hatters, Hatters  
S - T - E - T - S - O - N  
Stetson Hatters, Hatters  
Guard our line  
Now see us shine  
For we're the gang from Stetson U.  
(Now sing it).

### Fight Song

On to victory we'll fight our way for Dear Ole Stetson U.  
Keep Fighting.  
If we win we'll live to see the day when we will push on thru,  
Keep Fighting.  
Alma Mater, we'll all be true, we'll work hard and  
We'll work for you;  
So on to victory, we'll fight our way  
For dear ole Stetson U.  
Work Together, Push On Thru!

### Cheer For Old Stetson

Cheer for old Stetson.  
Stetson will win.  
Fight to the finish,  
Never give in!  
Rah, Rah, Rah!

We'll do the rest, boys,  
Fight on to victory.  
Rah! Rah!

## HISTORY AND HERITAGE

DeLand Academy, which later developed into Stetson University, was established in 1883. There were only 13 students and one teacher in the beginning. Total enrollment last year was 2,752 and there were 122 members of the faculty.

In 1876, H. S. DeLand of Fairport, New York, was so impressed by the pleasant climate and tropical scenery surrounding a small unnamed settlement in central Florida that he decided to make his home here. From the first he manifested such an active interest in the growth and development of the community that it soon was named DeLand.

In 1884 he built DeLand Hall, which houses the present School of Music, and moved the year-old Academy into the new building. He proposed to the Florida Baptist Convention that if the Convention would contribute \$10,000, he would donate an equal sum along with the Academy property. This was done, and in 1887, the school was incorporated as DeLand University. Later, at the request of the original benefactor, the name was changed to John B. Stetson University in honor of the Philadelphia hat manufacturer who had given much of his time and wealth to aid the advancing young college.

Stetson University was conceived with the Christian ideals as its basis. Today as always that spirit dominates the whole of the University, a spirit which becomes our heritage when we become a part of the student body. Because of world conditions today our goals are even more significant than ever before: scholarship, culture Christian character. As we adopt these goals for our own, we become a part of that spirit which our past has developed and on which the hopes for the future depend. This is our heritage, and it is our privilege to pass the heritage on to those who will follow.

## RULES AND REGULATIONS

Each student at Stetson University is subject to the rules and regulations of the University as printed in the **Annual Catalogue** and in the **Student Handbook**. Failure to acquaint oneself with these publications can result in serious consequences. Below are listed some of the regulations about which a student will be concerned frequently, and a brief statement of the University's expectations concerning its students' conduct.

1. **Change of Registration.** See page 37, **Annual Catalogue**. Special fees, course changes.
2. **Withdrawal from the University.** See page 33, **Annual Catalogue**.
3. **Academic Probation and Suspension.** See page 32 and 33, **Annual Catalogue**.
4. **Class Attendance.** See page 32, **Annual Catalogue**.
5. **Grading System.** See pages 34-35, **Annual Catalogue**.
6. **Chapel Attendance.** See page 32, **Annual Catalogue**. It will be noted that the rule on chapel attendance is changed for 1948-1949.
7. **Physical Education.** See page 42, and footnote 4, page 42. See also pages 109 (women) and 112 (men). **Annual Catalogue**.
8. **Expenses.** See pages 36-38, **Annual Catalogue**. See pages 127-128 for College of Law expenses.
9. **Conduct.** John B. Stetson University expects its students to conduct themselves as ladies and gentlemen. Such conduct is a part of essential character and cannot be legislated. However there are certain rules and regulations concerning conduct, on and off the campus, which have been printed for the guidance of all concerned. These rules appear in the **Student Handbook**, and each student should familiarize himself with them.

## FOR ALL FRESHMEN

1. Obey all University traditions, rules and regulations.
2. Make acquaintances with your classmates and others as soon as possible. Stetson is a friendly school. We speak to everyone whether we know him or not.
3. Take an active interest in all student elections in which you are concerned.
4. Join only those extra-curricular activities in which you are really interested. They will be an important part of your campus life, but remember that "majoring" in extra-curricular activities means neglecting important studies.

**IMPORTANT:** Upperclassmen must refrain from requesting any act which will offend the sense of pride or honor of any freshman.

**PURPOSE OF FRESHMAN RULES:** To create among new students an enthusiastic school spirit and the loyalty that will last not only through four years of University life, but will carry over into life after college, and make for a better alumni group. All freshmen of Stetson University are expected to comply with these rules at all times with the exceptions as stated by the committee on freshman rules.

1. Freshman caps shall be worn at all times except on Sundays and when in attendance at formal affairs.
2. All school songs appearing in this handbook are to be memorized during Freshman Week and are to be recited to upperclassmen on request.
3. All freshmen are required to attend all student assemblies except when on scholarship duties.
4. If called upon by upperclassmen to perform duties of a constructive nature, freshmen are expected to respond promptly and willingly.
5. On a date set by the Freshmen Rules Committee, contests will be held between the freshmen and an equal number of upperclassmen. If the freshmen are victorious, they may discard their caps; if the upperclassmen win, the freshmen must wear their caps until further notice by the Freshmen Rules Committee.
6. Freshmen must carry student handbooks with them constantly during the first quarter.

## FACULTY ADVISORY SYSTEM

The University uses an individualized program. In the place of the old system in which general requirements were laid down for all students with little regard for individual differences, there has been instituted a system of individual requirements. The use of requirements as such has not been abandoned, but the method of using them has been changed. Instead of being laid down in advance and applied generally, requirements are set up for each individual based upon his aptitudes, interests and needs.

Such a system requires methods and devices for discovering individual aptitudes and interests and an organization for counselling students. A group of faculty members has been chosen and is organized to act as counsellors. A testing program is in use to supply the counsellors with needed information concerning individual students. This is supplemented by reports from high schools from which the students come.

When a student enters the University he has an interview with members of the advisory council which is supplied with all the information that has been gathered concerning the student. By means of this initial interview and others, from time to time, each student's educational program is worked out and directed.

## STUDENT ADVISORY SYSTEM

Each spring the Deans of Men and Women choose from the upper divisions a group of students to become Freshman Advisers for the following fall season. These students are chosen, not for their high scholastic average or for numerous extra-curricular activities, but for their ability to represent all phases of college life, and still further, to help each new student become a member of the Stetson family as quickly as possible. An adviser begins his contact with a freshman through correspondence during the summer, and such associations prove profitable to both adviser and advisee. It is the particular duty and pleasure of each adviser to stand beside his advisee until the new student is well established in college life, having found his place in the group and having adjusted himself socially and mentally to campus life.

## THE UNIVERSITY COMMONS

A cordial welcome awaits you at the Commons. A good variety of well prepared food makes the school cafeteria the most popular place on the campus.

The meals are as follows:

Weekday Breakfast .....	6:45 - 8:00 a.m.
Saturday and Sunday Breakfast .....	7:30 - 8:30 a.m.
Weekday Luncheon .....	11:30 - 1:00 p.m.
Sunday Dinner .....	12:30 - 1:30 p.m.
Dinner every evening .....	5:30 - 6:30 p.m.

The comfortable lounge is available for meetings and other group activities. Arrangements for special parties must be made with the dietitian.

Note: Breaking into line is strictly forbidden. Those guilty of this discourtesy will be called before the Faculty Committee on Student Conduct.

## THE UNIVERSITY LIBRARY

The library is a depository of knowledge, culture, and experience in printed form, and serves as a general laboratory for the entire college community—students and faculty. It is the hope of the library staff that students will use the library for both study and recreational reading. The staff will gladly assist any student in locating and using library materials. Hours will be found posted on the door of the Library Building. Each year a handbook is published which gives detailed instructions concerning the use of library resources. This handbook may be secured at the Charge Desk in the Reading Room of the University Library.

## THE UNIVERSITY INFIRMARY

The infirmary service of the University, under the competent graduate nurse provides for the care of all minor illnesses and the relief of acute conditions which do not require special nursing. Supplementary to the service afforded by the University Infirmary, a student may at his own expense secure any available physician he desires. The University requires that all illnesses be first reported to the University nurse.

## CHURCH ATTENDANCE

All students are urged to attend Sunday School and church services on Sunday. The University cooperates to this end with all churches in DeLand. On Sunday work is suspended throughout the University, and the office buildings, the laboratories, and the libraries are closed.

## THE VESPER SERVICE

The Vesper Service is a non-denominational service sponsored by the Baptist Student Union Council and meets each evening at 6:30 at a place to be posted on bulletin board. It seeks to strengthen the spiritual life of the student body.

## THE BAPTIST STUDENT UNION

The Baptist Student Union is the connecting link between the Baptist churches of DeLand and the University. It is the recruiting agency and training activity for the local churches.

The B. S. U. is made up of students who are members of a local Baptist church or who participate in one or more of the unit activities. The functions of the B. S. U. are led by the B. S. U. Council which includes general officers elected annually and the presidents of the following campus unit organizations:

**The Volunteers for Christian Service** is an organization composed of students who plan to do full-time religious work aside from that of the preaching ministry. Membership is open to all students who indicate a desire to join and a willingness to live up to the motto of the group, "that in all things Christ might have pre-eminence". Meetings are held twice monthly.

**The Ministerial Association** is composed of young men who are studying for the ministry. To be eligible for membership, the student must be recommended by a Christian church as a candidate for the ministry.

**Young Women's Auxiliary** is open to all young women in the University. It engages in the study of the various phases of mission work, and follows a program of personal service. The Y. W. A. meets twice each month and through its programs seeks to enrich the spiritual life of its members.

## STUDENT RELIGIOUS ORGANIZATIONS

The following denominational activities are organized on the campus: Baptist Student Union, Wallace Webb, President; Canterbury Club for Episcopal students, Bruce Perkins, President; Methodist Student Movement, Charles Baxter, President; Westminster Fellowship for Presbyterian students; and Newman Club, for Catholic students, Gus Musleh, President.

**THE WOMEN'S STUDENT GOVERNMENT ASSOCIATION**

The Women's Student Government Association welcomes all new women with a hope that each will find a genuine interest in its activities during her years at Stetson. Every resident woman is automatically a member of the Women's Student Government Association. It is an organization formed and controlled by the students themselves and aims at producing the best possible college life for all. It not only seeks the welfare of the group, but also seeks the welfare of the individual. It calls on each girl for a standard of conduct that the students of the past and present have wished to maintain.

Its success in the past has depended wholly upon individual dignity, integrity, and responsibility. The future will be determined in like manner. Each girl is called upon for whole-hearted participation, realizing that through this participation she as an individual speaks and will as an individual contribute to the standards of Stetson University.

The resident women once a year elect an executive council which seeks to serve the students in every capacity.

Each dormitory has a house council which functions as a unit of the Executive Council.

#### Alpha Dexioma

The Alpha Chapter of Dexioma was established at Stetson in May, 1940. The purpose of the organization is to promote democratic friendship and understanding among its members and to broaden the social, political, athletic and religious life of its members. All women in Stetson University who are not associated with a national social organization may become members.

### SORORITIES

**Alpha Xi Delta.** Omega Chapter was established in Stetson in 1917.

**Delta Delta Delta.** Alpha Delta Chapter was established in 1913. For several years previously it existed as a local.

**Pi Beta Phi.** Florida Alpha Chapter was established in 1913, having existed as a local for several years previous to that time.

**Zeta Tau Alpha.** Beta Psi Chapter was established in 1934, after having existed for several years as a local.

#### Membership

Approximately one-half of the co-eds do not belong to sororities. For various reasons these girls either may be unable to join a sorority or may not wish to become affiliated with any such group. In any case, a girl is judged by what she is as a person and not by any organization to which she belongs.

1. **Sorority Chapters**—A chapter is a group of college women, who have elected to establish a close affiliation with one another for four years as college students, and thereafter as college and sorority alumnae. The chapters are largely self-governing. They maintain high ideals in scholarship and in social custom.

2. **Rushing**—At the beginning of each school year, the sorority chapters on the campus have a period known as deferred rushing followed by a short period of formal rushing. Deferred rushing gives girls who are interested in pledging to a sorority an opportunity to become acquainted with the fraternity women on the campus and to know something of their organizations. During formal rushing each fraternity entertains rushees at a series of parties.

Alumnae members of each fraternity send recommendations to their chapters for sisters, relatives or friends entering college whom they think would be adaptable to these chapters. During formal rushing these recommended persons largely make up the group of rushees. Informal rushing is carried on during the remainder of the college year during which time each fraternity is permitted to invite rushees to the chapter room, to be guests at parties, etc. This latter type of rushing is done to select new members from acquaintances made through campus contacts and new friendships as contrasted with contacts made through recommendations of alumnae and friends.

Careful thought should be exercised before a girl accepts a bid, for pledging means choosing friends for her entire active and alumnae fraternity life. She should not plan to pledge to a fraternity unless

she intends ultimately to become a college graduate, nor should she accept the expense of membership (which is not exorbitant) until she thoroughly understands the amount involved and her ability to meet it. Women who have work scholarships granted by the University may be rushed by sororities, but they cannot accept bids while on work scholarships.

All groups are worthy of membership, and rushees are urged to make decisions independently, and on the basis of congeniality.

It is beneath the standards of fraternity women to speak disparagingly of any chapter or any fraternity. A member of one organization who so far forgets herself as to criticize any member of another group, or the group as a whole, will discredit herself in the eyes of all fraternity women and rushees.

It is beneath the standards of fraternity women to allow any illegal methods in rushing. A fraternity member may give information on the history, standards, finances, and program of her fraternity.

**3. Pan-Hellenic**—Pan-Hellenic is an organization composed of two delegates from each sorority on the campus. There is the closest co-operation in Pan-Hellenic on such matters as the maintenance of university and fraternity standards, scholarship supervision, social affairs, etc. Rushing is also regulated and governed by the college Pan-Hellenic. The main purpose of a college Pan-Hellenic is to provide a medium through which fraternity women may work together, may co-operate, to unify the interests of women students.

### Informal Rushing September 21 to October 3

1. No sorority girl shall wear her pin from the time she arrives at school until October 3.

2. No tables shall be pulled together at the Commons when rushees are at the table.

3. No sorority girl shall be with rushees outside the city limits except by special permission, and they shall not be together in a car at any time. This rule does not apply to advisers and their own advisees.

4. No money is to be spent by fraternity girls or rushees on each other.

5. There shall be no correspondence, phone calls, or notes sent to rushees by sorority girls, or vice versa. This rule does not pertain to freshmen advisers and their own advisees. (This rule is to apply also during the period of formal rushing.)

6. Rushees shall not be taken to the fraternity rooms at any time before the rush parties.

5. Friday night, October 15, bids shall be issued by Pan-Hellenic Council inviting those receiving them to be present at the office in Chaudoin Hall Saturday morning, October 16, at 9 a. m. to indicate their fraternity preferences.

6. Each girl who made a statement of her preference under the above rules must remain out of her room and dormitory between 11:00 and 11:30 a. m., Saturday morning, October 16. At this time invitations to membership, based upon selection by the fraternity and the rushees's preference, will be placed in the dormitory rooms. After the rushee has returned to her room at 11:30 and received her invitation, she should proceed to the fraternity room indicated above.

**General Rushing Rules**

1. Alumnae, patronesses, and pledges shall be governed by all the rules of rushing. At no time during rushing shall there be any alumnae or patronesses in Chaudoin Hall. (Each fraternity shall inform alumnae of this rule.) The total number of alumnae and patronesses attending parties shall not exceed 10.

## REGULATIONS FOR MEN

We assume that all Stetson men are gentlemen unless and until their conduct indicates otherwise. In conformity with the Christian principles for which this institution stands, we have adopted certain regulations governing men's conduct. It should be clearly understood by all men students that at whatever time their conduct reflects discredit upon the institution, they are liable to suspension. The University can and will expel any man whose conduct it deems unsuited to the institution.

Your attention is directed particularly to the following regulations:

1. The purchase, possession, or use of alcoholic beverages is strictly forbidden.

2. There shall be no gambling on the University campus.

3. Smoking is not allowed in the Administration Building, in the classroom buildings, in the Library, or in the Commons.

4. Any student guilty of disobedience of or discourtesy to any member of the faculty or administrative staff will be disciplined immediately.

Since women students must be in their dormitories at definite and regular hours, all men students are hereby instructed to observe these hours and not to loiter around or near the women's dormitories after closing hours. There is absolutely no acceptable excuse for such loitering, and any student who does it will be immediately suspended from the University.

6. It is the responsibility of the student to see that his correct address is on file with the Dean of Men. Any man who changes his place of residence during the quarter is under obligation to notify the Dean of Men. Failure to give such notice will be construed as an act of non-cooperation, and an explanation will be required of the student. A second offense of this nature makes the individual liable to suspension.

7. **Firearms**—Any student who owns a pistol or gun will register it with the Dean of Men.

8. **Automobiles**—All men students who have cars and who will keep them in DeLand must register their cars at the office of the Dean of Men.

8. **Men Living Off Campus**—Men living off Campus at the Air Base, or elsewhere, are on their honor to abide by the same regulations as on the campus. These regulations are stated above.

The University reserves the right to send the Dean of Men or any other official of the University into student apartments, rooms, or other other dwellings for periodic inspection; students who are unwilling to cooperate in this matter will be asked to withdraw from the University.

## HOUSING RULES FOR MEN

All Freshmen and new men will live in University dormitories. Other students will live only in University-approved housing facilities.

The badge is a diamond shaped emblem bearing a scroll with the Greek capitals "Pi Kappa Phi" across the shorter diagonal, with a five-pointed gold star upon a black field above the scroll, and the figure of a student's lamp in gold below the scroll. The pledge button is of white enamel, of the same shape as the badge, with gold edges and a gold scroll across the shorter diagonal. The colors are gold and white. The flower is the red rose. Chi chapter, which had existed as the local fraternity, Phi Beta Phi, for 10 years, was installed at Stetson in 1921. Archon James Duffett.

**Sigma Nu** was formed at Virginia Military Institute on January 1, 1869. At present it has active chapters in 99 colleges and universities and has initiated over 45,000 members. The badge is of gold, with five white arms meeting in a center of black enamel, on which is coiled a golden serpent; each arm displays a pair of crossed swords and a letter forming the sequence, "Sigma Nu Epsilon Tau Tau". The badge button is a reproduction of the center of the active badge. The colors are gold, black and white, and the fraternity flower is the white rose. Delta Mu chapter existed on the Stetson campus as a local fraternity for several years before it received its charter in 1913. It has operated continually since that time with the exception of 2½ years during

World War II. The chapter was reactivated early in 1946 and is back on its prewar basis. Frederick Karl, Commander.

**Delta Sigma Phi** was founded at the College of the City of New York on December 10, 1899. The badge is diamond-shaped, displaying the Greek letters "Delta Sigma Phi" in gold along its short diagonal. The background of the pin is black, with a white circle circumscribing a raised green pyramid at the upper apex, and a sphinx in gold at the lower. The pledge pin is a green pyramid in a circle of white. The colors are Nile green and white; the flower is the white carnation. Alpha Chi chapter was installed in 1925 and was an outgrowth of the oldest local fraternity on the campus, Phi Kappa Delta, organized in 1898. Since its installation Alpha Chi chapter has operated continuously even during the trying years of war. The president is Joe Peel.

**Lambda Chi Alpha** was founded November 2, 1909, at Boston College, by three law students. The badge is a pearl-set crescent with horns turned toward the left, and enclosing a monogram of the Greek letters "AXA". The center of the crescent bears the Greek letter "AI" in gold on black enamel. The pledge button is a Gothic arch, superimposed upon a cluster of five triangles. The colors are purple, green and gold. The flower is the white rose. Sigma Omega, a local fraternity at Stetson since 1947, became Sigma Omega Colony of Lambda Chi Alpha on May 1, 1948. High Alpha is John Richard Warren. Faculty adviser is Professor Elmer C. Prichard.

**Chi Mu**, a local social fraternity, was organized in January 1948, for the purpose of promoting brotherhood, and to broaden the religious, social, political, and athletic life of its members. The badge is a shield-shaped emblem with a sword extending diagonally through the center on a black background. The pledge button is a gold sword. The Florida Alpha Chapter of Chi Mu was recognized by the Inter-Fraternity Council and the Administration in February 1948. President is Paul Curtis.

### **Eligibility For Pledging A Fraternity**

A student is **not eligible** for pledging and **cannot be pledged** if:

1. He holds a work scholarship.
2. He carries less than a normal academic schedule (3 majors).
3. He owes a financial obligation to the University, to local merchants, or to others in the community.
4. He made a scholastic average below C in the institution last attended.
5. He has any academic deficiencies (that is, if he is on probation, is on the D list, or is carrying less than a full schedule).
6. He is not a full-time, regularly enrolled student.
7. He has not been in attendance at Stetson for at least four weeks.
8. His name has not been submitted to and approved by the Dean of Men. Each fraternity shall submit to the Dean of Men a list of prospective pledges, who will then certify as to their eligibility for pledging. The list shall be presented to the Dean of Men at least two days before the day of pledging. All fraternity men will please note that the list shall be typed, or printed, in alphabetical order, using the full name of the individual.

### **Rush or Pledge Parties**

These events must be scheduled in advance with the Dean of Men and approved by him.

## Rules For Rushing

Rules for rushing in 1948-1949 will be adopted by the Inter-fraternity Council in consultation with the Dean of Men.

## Active Membership

A student cannot be pledged and initiated on the same set of scholastic grades; for example, if he is eligible for pledging at mid-quarter and becomes a pledge on the basis of his standing at that time, he cannot also be initiated on the strength of those same mid-quarter grades; he must wait until the next quarter's grades have been posted.

No transfer student may become active unless he made a C average in the institution last attended or made the minimum grade required for graduation in that institution.

## NEW ORGANIZATIONS

No new organization shall be started by any individual or group without the advance knowledge and approval by the Dean of Women, the Dean of Men, and other administrative officers.

This regulation is necessary in order to control the rapidly increasing number of organizations and to prevent useless overlapping and duplication of function.

Since neither settings nor properties will be equally suitable for all plays presented, it is obvious that judges will **NOT** judge the stage sets but the play presentations themselves.

Each cast is responsible for setting its own stage and for removing its properties immediately at the close of the play, so that the cast presenting the next play may set its stage properly.

All plays will be presented on the one night, and the announcement of the winners will be made after the last play is over.

## INTRAMURAL DEBATE RULES

1. Florida Beta Chapter of Pi Kappa Delta will select and publish topics for debate and the time to be allotted for speaking.

2. Any members of the participating intramural groups who have not engaged in intercollegiate debating at Stetson University, or at another institution of collegiate standing, are eligible to participate.

3. Collegiate debaters and members of Pi Kappa Delta may serve as coaches for the groups.

4. There shall be preliminary and final rounds. The winners and the runners-up in both men's and women's division shall participate in the finals.

5. The debaters will be judged on the basis of (1) delivery, (2) content and logic, and (3) entertainment value.

## ANNUAL INTRAMURAL SING

The purpose of the intramural sing is to develop an interest in singing through competitive participation among the undergraduates of Stetson University, and to give as many as possible an opportunity to express themselves through music.

Under intramural regulations the contest is open to all undergraduates in social organizations on the campus, fraternity and non-fraternity students with the exception of those who are listed as members of the Stetson Radio Chorus.

All participating groups in the contest will select one song of their own choice, the arrangement of which must be in at least three-part harmony. Songs used by local fraternities on campus will not be accepted by the judges. The judges are selected from among persons not affiliated with the organizations participating.

Each group will select its own leader who may be a member of the above mentioned Radio Chorus; however such person will be restricted to leading and not singing with his or her group.

Each group participating in the contest will be judged on the following points: (1) Appearance and stage presence; (2) Leadership; (3) Diction; (4) Intonation; (5) Interpretation; (6) Arrangement; and (7) Adaptability of song to each group.

The intramural sing is judged in two divisions, one for women and one for men. Silver loving cups are presented as trophies to the winner of each division. The group winning the contest three years in succession retires the trophy.

### MAY 9th—Intramural Banquet and Award Night

### INTRAMURALS FOR WOMEN

"A tournament for every girl—and every girl a participant"

Director ..... Miss Elizabeth Autry  
Office ..... Women's Gymnasium

All women students are invited to participate in the intramural tournaments. Check the list of managers below to find who is intramural manager in your hall. Either contact her or the intramural office in regard to intramural participation.

It is not necessary for an individual to be highly skilled to enjoy playing in the tournaments, for there will be more "dubs" than "pros" taking part in each. You need only a playing knowledge of the game.
